Lemon Grove Review

VOL. 7; No. 30 LEMON GROVE, CALIFORNIA MARCH 17, 1955 10c Per Copy

The Mason LINE

by Chan Mason

It was our good fortune last week to attend a session of the State Legislature at Sacramento. We made the trip as a member of a Lemon Grove delegation which was making the trek in support of Assemblyman Sheridan Hegland's bill A B 328.

—ML—

A B 328 in brief (the bill itself is lengthy and highly technical besides at present carrying some ten pages of amendments) states that when a school district, after bonding itself to capacity and adhering to the existing rules under which state aid is granted encumbered by a local tax rate of 40c or above, is excused from repaying that year's state loan apportionment.

—ML—

We can see that after reading the above description of the bill, the durned thing can't be explained in brief. Anyhow, it's a good bill designed to reaffirm the original intent of granting state aid to impoverished school districts and eliminates pyramiding of school taxes and in the case of Grossmont High School District, La Mesa, El Cajon, Lemon Grove Elementary districts, would be of tremendous help to us all.

—ML—

Luther Hussey, Frank Armstrong, Burt Cosby and I attended from L. G., Lewis Smith from Grossmont, Glen Murdock from La Mesa, together with members of the El Cajon and La Mesa Chambers of Commerce and their city councils.

—ML—

We would like to tell you of some of our random personal observations gained at the Capitol. First of all, we were granted every courtesy, conducted to the floor of the Assembly where we were introduced by Assemblyman Schrade, and our names inserted into the Journal. Senator Kraft afforded us the same courtesy at the afternoon session of the Senate.

—ML—

This was our first visit to the legislature when it was actually in session. We wish we had had the opportunity before. It's quite an education. If what we saw was indicative, we won't quibble over a legislator's pay, believe us, they certainly are putting out a tremendous effort to accomplish a good job.

—ML—

We're running out of space, but let's say first, a letter from you to your representative stating in your own words why you favor or disapprove a certain bill does carry weight. And if you ever get a chance, drop in and visit the Capitol, it's well worth it and while at times, maybe we feel our democratic processes are disappearing, we doubt if they will if we keep better informed and give that information to our representatives.

—ML—

Oh yes, it appears A. B. 328 has a good chance. Assemblymen Hegland, Schrade et all will get it through. We'll keep you informed of its progress.

MILLION DOLLAR IMPROVEMENT DUE FOR COUNTY FAIR

A million-dollar construction program at the Southern California Exposition grounds at Del Mar, is on schedule and due for completion in advance of this summer's exposition, June 24 through July 4, secretary-manager Paul T. Mannen said this week.

The huge project includes a 160 foot by 100 foot extension of the grandstand; an 80-foot extension of the turf club and complete renovation of the old portion of the clubhouse.

These additions will add approximately 3500 seats to the present facilities, Mannen said. In addition, 40 per cent of the main parking lot will be paved this year.

Exposition visitors will note other improvements. New brick planters have been constructed along the Avenue of Flags. Lath structures and buildings in the Flower Show now have concrete floors. Family groups will find larger and better picnic facilities.

"It's that time of year to begin planning exhibits," Lorene Bohn, entry supervisor, announced. "It's fun to be a participant and simple, too, to enter any of the 13 competitive division." A premium book, listing every section of competition will be ready for distribution April 15. Anyone interested in exhibiting is invited to request one.

Last year, $64,090.00 was paid out in cash awards.

'Lilac Time' Grosses $2,300 to Aid Swimming Pool Fund

By MARTI TITMAS

"Lilac Time" was a magnificent success, thanks to Walker-Scott, the local merchants and people who attended. The gross from both showings and raffle drawing was $1550.00. Walker-Scott most generously donated $750.00 which brings our gross to $2300.00. A check will be presented to the Swimming Pool Fund as soon as Mrs. William Miller and Mrs. Ralph Kraft, fashion show chairmen, have all the figures available.

The doll from the Monterey Variety Store and the wardrobe by Cole's Cabinet Shop was won by Mrs. Lester Wegeforth, 2600 E Eighth, National City; the Catalina trip for two days for two at the St. Cathryn Hotel, Mr. Harold Brown, 818 First St., Coronado; the fishing trip by Earl Smart; the two electric broilers, donated by the Juniors, by Mrs. Ervin Major, 2221 Cypress, and Mrs. Leon Meyer, 7287 San Miguel. There were many, many more gifts awarded at the afternoon showing, more than 30 door prizes and approximately that many at the evening performance so it was all but impossible to know who won each one. We hope they are all enjoyed.

If you missed the entertainment of the evening, we feel sorry for you. The likes of it has never been seen before and may never hereafter, the Can-Can by Mmes. Mickey Gist, Jean Eskridge, S. Mitzner, and Rush Rawley.

Not to be outdone, the Can-Nots, Messrs. Francis Faucher, Rush Rowley, Robert Hogan, Mike Calderone, and Max Goodwin, set dancing ahead (or was it behind?) many years. All in all, a wondreful time was had by everyone.

The music section under the chairmanship of Mrs. James Martin, is very happy to announce a Musical Education Assistance award of $50.00 to a graduate student of Lemon Grove Junior High for exceptional achievement in music. The student must have an "S" average in grades and the money may be used for instructions or part payment on an instrument. The awards will be given for 1954-1955 and one for 1955-1956.

MMES. LONG AND CONRAD BECOME KIWANIANNES

Mrs. Robert E. Swenson will entertain the Lemon Grove Kiwanniannes at her 3721 Nassau St. home on Monday, March 21, 7:30 p.m. Mrs. F. R. Faucher and Mrs. W. C. Nienaber will be co-hostesses and the president, Mrs. S. C. Brumbaugh Jr., will preside.

A representative from Grossmont Hospital Women's Auxiliary will explain to the group the many ways in which the members, individually and collectively, can assist the hospital—which, incidentally, is fast approaching completion. The program will also include a "do-it-yourself" hat show and demonstration by two publicity-shy Kiwanniannes who are attending adult education classes in millinery.

At the February meeting, which was held at Mrs. Brumbaugh's, two new members were introduced, Mrs. Walter G. Long and Mrs. Kenneth Conrad. The program, arranged by the vice-president, Mrs. Harold L. Hensley, featured a hair-styling demonstration, with brunette Mrs. R. Paul Reynolds and blonde Mrs. Jack S. Durham, acting as models.

San Diego Home Show to Feature Easy Living

Whether you're interested in a pop-up sprinkling system or a swimming pool, a single room addition or a complete house, a beautiful kitchen or simply barbecue equipment for the patio—you'll find a new and different answer at the San Diego Home Show, opening a week from this coming Saturday, March 26, at 1 o'clock in the Electric Building, Balboa Park.

Last Monday morning graders, steam shovels, cement mixers and building materials started moving into the Electric Building grounds.

In less than two weeks time the display house, Charm Cottage, will have been built, decorated and completely furnished, a laminated glass swimming pool installed, outdoor living exhibits completed and the grounds readied for spectators.

The Electric Building will house an array of displays highlighting gracious, easier living in the California manner. More new products will be displayed at this, the seventh annual Home Show, than ever before in its history, according to Jim Wilson, director of the event. The show will highlight the latest trends from furnishings to swimming pools.

New product coverage will include a luminous indirect cove light, a tested drapery material of all glass fabric, a kit containing pipe and fittings for constructing movable shelves, play equipment, greenhouse structures, carports and other projects, a hybrid grass that is claimed to be both heat and drought reistant and a portable screened enclosure for convenient outdoor use.

Special exhibits have been designed by a group of civic organizations who have been invited to tell their stories to the thousands who annually attend the Home Show. Included in this group are the Civil Defense Office with important information on shelters, Junior Achievement of San Diego, Inc., showing the work of our future industrialists and business leaders, the San Diego Harbor Association, the Junior Chamber of Commerce and the National City Chamber of Commerce.

The Home Show will run for nine days, from March 26 through April 3. It will be open from 1 to 11 p.m. on both Saturdays and Sunday and from 1 to 5 p.m. Monday through Friday. It is suggested that patrons use the Zoo parking lot north of the Electric Building in Balboa Park.

BAPTIST CHURCH TO HAVE 'POT LUCK' DINNER

The Men's Brotherhood of the First Baptist Church will entertain all the men of the church in a big "potluck" dinner on Monday evening, March 21, in the church's dining hall. The Brotherhood organization of First Baptist is one of over 300 in the state of California, and is recognized as one of the leading men's brotherhood organizations in this area.

They have recently been emphasizing "cottage prayer meetings" and have taken up a new project of establishing "Family Altars" in the homes of all the church membership.

The church has just closed an eight day Revival Campaign.

Nearly 40 church members have been added to the church recently. This church is in the midst of a "bond selling campaign" to meet the growing needs of this church congregation.

The pastor will begin a class of instruction in "Baptist Doctrines" on Sunday evening at 6:30 p.m. He will use as his sermon subjects for this Sunday 11 a.m. service "After Revival, What Next?"—7:45 p.m., "Rewards for Faithfulness."

Grove Youth on Loretta Young Show

Dennis Hopper, the Lemon Grove lad who attracted favorable comment earlier this year on the television show "Medic," has been given the juvenile lead in Sunday's Loretta Young show, it was revealed here this week by his mother.

His parents, Mr. and Mrs. Jay Hopper, live at 3224 Massachusetts. Dennis is under contract to Warner Brothers.

Sunday's television show, according to the announcement made on last week's program, will have to do about a boy headed in the wrong direction. He is saved by the understanding and interest of Miss Young.

She was asked to present the March program because the Lionesses enjoyed her so much last year.

Chamber May Sponsor Rodeo

St. John of the Cross annual Rodeo may be put on by the Lemon Grove Chamber of Commerce, it was revealed here this week.

Members of the chamber have been invited to take part in a joint meeting between the chamber and the Lemon Grove Men's Club Friday for the purpose of completing arrangements by which the popular event might be handled.

Fr. John McDonaugh of St. John's had stated earlier in the year that the church group, which normally presents the show, would not do so this year and invited the chamber of commerce to consider using it as a community advertising project as well as a money-making device for the chamber. Last year about $2,500 was made by the show section of St. John's Fiesta and Rodeo.

President of the chamber, Robert Swenson, said that it was important that chamber board members be at the Friday meeting. The Men's Club had previously voted to strengthen the chamber by whatever means available. Income from the rodeo would help defray the cost of a paid manager, Swenson said.

Mailing List Available as 'Junk Mail' Dies

Beginning April 1 all circulars, brochures, post cards, newspapers, and other mailing pieces which go through the mails must have a complete address, voiding a law which in the past required only a "postal patron" address.

Mail may still be sent without name of the receiver, but a valid address must be on it.

The Review has a list of every address in Lemon Grove which is available for purchase. Every postal stop is listed by address.

It is also possible to reach three out of four homes in Lemon Grove through the advertising columns of the Review.

JOB'S DAUGHTERS IN JOINT MEETING

Over 300 attended the official visit of the Grand Guardian, Agnes Tostenson and the Grand Associate guardian, Earl Baker, when the Job's Daughters Bethel No. 229 of Lemon Grove joined with La Mesa, Ramona and El Cajon Bethels on February 23, in the Junior High School at El Cajon. Each Bethel put on their work.

The choir under the direction of Eliza Sanders helped put on the work. A duet, "I Know" was sung by Carolyn Parker and Judy Nelson accompanied by Mary Sue McMahon, Job's Dauhgters musician.

Valerie Hoard officiated as Queen with her other 18 officers. The work was put on in a most delightful manner.

Ann Trexel, guardian, and the associate guardian, Ben Small, were presented and introduced as well as the members of the Guardian Council.

Happy St. Patrick's Day

LOCAL ADDRESS FOR OLD LEGAL FIRM

Lemon Grove will soon qualify for a section to be called "Legal Mile" competing with Beverly Hills' "Miracle Mile" if the influx of high class lawyers continues.

Latest to join the professional brotherhood is the law firm of Dorman and Dorman, brothers, who have taken up quarters at 3514 Imperial, near Broadway.

Vroman Dorman is a resident of long standing, living on Hibiscus Street. He formerly served on the Grove School Board and chamber of commerce.

His brother, Wallace, a partner in the firm, lives on Wisteria Avenue on Point Loma. V. J. was a former partner with the downtown firm of Thomas, Dorman and Fox.

The firm will maintain their present offices downtown at 531 Land Title Building.

"Parking and convenience dictated the need for the Lemon Grove office," V. J. Dorman said. "We have a great number of clients in this area and the new office is aimed primarily at serving them."

"Growth of all of Southern California has shown the need for suburban professional offices," Wallace Dorman said. "We will maintain the downtown office for our downtown clients and serve others from Lemon Grove," he added.

The firm operates a general practice.

The Dimmer VIEW

By MAX GOODWIN

When an editorial writer has nothing else to carp about he picks on local government, but most of you know me well enough to know that I need no such urging.

I have been at odds with Will Miller and his planning department for a year for refusing cooperation in the matter of the first annual Lemon Grove Swimming Pool Carnival. This refusal, I guarantee, will come back to haunt him many times because he didn't see fit to aid and assist the people whom he is paid to represent.

However, that is not my howl today. There will be many other days when I will expound on the ridiculous state of county affairs which commits me, and my brother suckers, to pay high wages to some jerk who thinks that a well-run department is more important that the needs of those who pay for the administration.

Our county building department which also combines sanctimony with stupidity has the first call on my ulcers today. It again has to do with signs which clutter our roadside to obscure our vision. About the same time that Miller refused to aid (by giving a two day planning department clearance) our community project, the building department began ignoring the fact that a billboard, the biggest such sign along our thoroughfare, was built by Jack Davis in front of his market and it juts out to the very corner of Broadway and Olive.

In spite of my protests, and the protests of others, there has been no action other than a study of such set-back irregularities. The same set of regulations which the authorities interpreted to mean that they couldn't permit the community project for the good of our kids was then interpreted to show it couldn't be used for the safety and convenience of our residents!

Because I am frustrated by these regulations, it is little wonder that I flipped my lid when I again passed a sign on Imperial Avenue, near Encanto which for years has been asking people leaving Lemon Grove to "Go Back to El Cajon," presumably because they can get a better quality of government there.

The sign belongs to Dan Thren, a reputable realtor from El Cajon but who now has offices in Lemon Grove. He cannot hide behind a stack of ordinances so I call upon Thren to paint out this offensive admonition of misdirection.

Because he is not protected by civil service I can remind him that he is responsible for his livelihood to the community he serves.

Because Thren, whom I know only casually, is a good businessman, I believe he will listen to reason and make the change, so I will supply the paint and brush in the same ratio as I pay for the county services which I feel I am not getting.

ST. JOHN'S CHURCH TO HAVE ST. PAT'S PROGRAM

The atmosphere of St. Patrick's Day will be prolonged a few days this year when St. John of the Cross Catholic Church presents "Lovely Ireland," a two hour color film of present day Ireland on Sunday at 7:30 p.m.

"Lovely Ireland" is truly the first film ever to do true justice to the Emerald Isle. Here, among unbelievable scenery, we see the Irish people at work, at prayer and play, filmed by Father Patrick Malone of Aberhill who has captured all the splendor of the isle and the people.

The sound track which accompanies the film features many authentic Irish airs in their original surroundings, sung by the people who originated them.

The Lemon Grove showing is open to the general public which is cordially invited to attend the movie at the Parish Auditorium, 8215 Imperial Ave., Lemon Grove.

BIG BOY BORN TO WILLIAM FIEL

There was a big event in the lives of William and Cinderella Fiel last week when a baby boy, weighing 8 pounds and 14 ounces, was born. They promptly named him Wallace Irwin.

The youngster is a brother to five other children which includes one girl. He was 22 inches long when he arrived.

The Fiels live at 2660 Buena Vista and he is employed by the county.

To Have Pat O'Brien St. Pat's Day Banquet As Guest

Irish actor Pat O'Brien and Coach H. R. (Red) Sanders of U.C.L.A. will be featured speakers at the second annual formal stag dinner of the Friendly Sons of St. Patrick to be held Thursday, March 17, at 6:30 p.m. at the El Cortez hotel, announced William K. Buckley, president.

O'Brien, popular star of the entertainment world, is now appearing in a play at Palm Beach, Florida, and will fly here especially for the black tie event.

Coach Sanders recently accepted the 1954 Rice Trophy awarded the American Football Writers Association for his last season's undefeated UCLA football team. The award is emblematic of the collegiate football championship.

Approximately 300 members and guests, including local dignitaries, are anticipated at the banquet, which drew 200 at last year's inaugural affair. Patterned after similar groups in other cities, the Friendly Sons of St. Patrick was formed in San Diego over a year ago as a non-political, non-sectarian organization of men of Irish lineage, with the yearly dinner its chief function.

Tax-Exempt Corporations Must File Loyalty Oath

Any corporation wishing to remain exempt from payment of California franchise taxes must under the law passed at the 1953 legislative session file a loyalty declaration prior to March 15, 1955.

Robert C. Kirkwood, chairman of the franchise tax board, issued this caution today in order to remind all previously tax-exempt corporations that, under Chapter 1503 adopted by the legislature pursuant to a constitutional amendment approved by the people at the 1952 general election, failure to file the statement constitutes automatic waiver of the right to exemption.

Corporations that do not receive the necessary declaration forms through the mail, are advised to obtain them at one of the branch offices of the franchise tax board.

LA MESA GIRL IS NAMED HOMEMAKER OF TOMORROW

The Betty Crocker Homemaker of Tomorrw in Helix High School is Lorraine Anderson, 12th grade, daughter of Mr. and Mrs. C. G. Anderson of 4779 Harbison Ave., La Mesa.

She received the highest score in a written examination which tested the homemaking knowledge and attitudes of the senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow. She will also receive a golden award pin, cook books for herself and the school.

The national winner in this search conducted among 187,000 young women in 8,000 of the nation's public, private and parochial high schools will be named April 21 at an American table fete in Philadelphia.

General Mills is the sponsor of this program designed to assist schools in building in young women a deeper appreciation and understanding of the American home and the personal qualities necessary to successful homemaking.

A scholarship of $1,500 will be awarded each state winner, and she will receive a trip with her school advisor to Washington D. C., colonial Williamsburg, Va., and Philadelphia. Her school will receive a set of the Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to $5,000.

The 50-minute written examination designed and judged by Science Research Associates of Chicago, which was given to all participants in this national search consisted of multiple choice and subjective questions which tested the students' attitude and knowledge in the major areas of homemaking. Each girl who took the test received a 24-page homemaking guide which will assist her in pursuing the career of homemaking.

Plymouth Sales Greatest Ever, Says Area Auto Executive

The sale of Plymouth cars during January was the greatest for any January in Plymouth's 27 year history, it was reported today.

Mr. George Revel, new car manager of Benter Bros., Inc., El Cajon, said Plymouth cars are in greater demand here than ever before at this time of the year. Nationally, Plymouth retail deliveries for the month totaled $52,122, and were 63% above the same month last year. This compares with 31,900 Plymouths delivered at retail in January, 1954.

Plymouths' biggest previous January had been in 1953 when 49,221 units were delivered. During January new orders received were ahead of shipments by 35%, despite production schedules exceeding 3,000 units daily.

Mr. Revel said, "This sales record is only the beginning of a record Plymouth year." He pointed out that Plymouth began a schedule of overtime work the first of February, increasing production to meet public demand for the all new Plymouth cars.

Despite the overtime, which has increased Plymouth's production by nearly 10%, the backlog of orders continues to mount, and is now 24% greater than when the new models were first placed on sale in mid-November. At the same time, stocks of new Plymouth cars in dealers' hands are 26% below a year ago.

"Plymouth is on the way to its greatest year," Mr. Revel said.

"Public acceptance of our new cars is tremendous now and is gaining every day."

Mr. Revel pointed out that Plymouth is making every effort to increase production to meet demand in the coming months. January is traditionally the tenth month in volume of sales for selling automobiles at retail, and is generally 25% under the total number of cars sold during either April or May, customarily the two highest sales months.

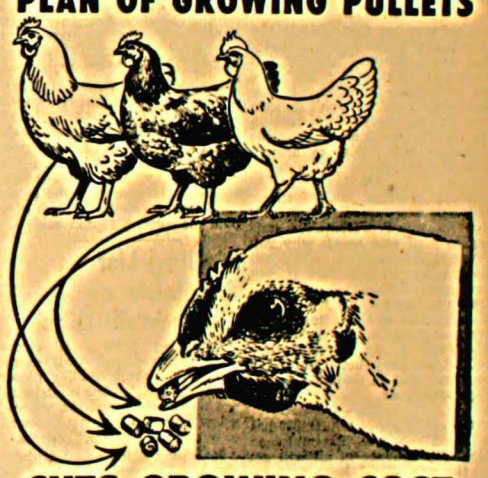
NEW PURINA
Bite-Size CHECKER PLAN OF GROWING PULLETS


CUTS GROWING COST by cutting feed waste
Compared to usual mash feeding, the new Bite-Size Checker plan can make a big cut in your growing cost. Chicks start eating the new, smaller Checkers when only 4 to 6 weeks old. It takes less feed because pullets spill less out of the hoppers. And the few Checkers that are spilled are quickly picked up—not lost on the ground like mash.
Feed to fit your needs with PURINA ADJUSTMENT PLANS
Now we offer three different plans so you can adjust feeding to suit your own strain and breed. Check these plans before you buy any growing feed. You'll find one that just fits your needs.

!THE SHOW'S THE THING!

Judy Holliday scores in another laugh hit in the comedy 'Phffft" that opens this Thursday at the Grove Theatre, nestled comfortably in the center of the city with the "best climate on earth." "Phffft" is a movie similar to some of Judy's previous comedies, i.e., "Born Yesterday," "The Marrying Kind," "It Should Happen to You"; this one is a Broadway tale about theater and television people that is jam-packed with funny situations and clever lines, expertly delivered in the star's high-pitched tones, for which she is noted. Jack Lemmon, who co-starred with Judy in "It Should Happen to You," and curvaceous Kim Novak are other high spots in this hilarious film.

The companion feature with 'Phffft" is the vivid and violent novie titled "Cry Vengeance." his movie, that stars and was irected by Mark Stevens, is ard, engrossing and exciting. Cry Vengeance" is full of realitic fist-fights, subtle moods of ixed emotions amongst the ard-bitten cast, contrasting ackgrounds of San Francisco nd Ketchikan (Alaska), with a lot of a former San Francisco etective seeking to avenge himelf on the ex-gangster leader he inks murdered his family and amed him into three years in in Quentin. The main feature r the matinee on Saturday (at a.m. and 2 p.m.) is "Ride aquero" starring Robert Tayr.

"The High and the Mighty," arring John Wayne, will be the ature film for Sunday, Monday d Tuesday at the Grove show. he High and the Mighty" hard- needs talking about, as its endor in all types of acting, ting and plot is beyond reach. The co-feature is "Bam- Prison," in which stardom nes to young Robert Francis, o did so well in "The Caine tiny." Francis plays the role a U. S. Army sergeant who special privileges as a prier of war, collaborating with captors, winning the enmity Jerome Courtland and other erican soldiers in the camp. urally a woman is involved the ending is true-to-life but ewhat sad.—B. Women's Clubs Cooperate in Drive For 'The Cross'

More than 5,000,000 members of the General Federation of Women's Clubs are participating in a drive to raise $3,000,000 with which will be built a 500-foot cross, the world's largest, atop Bald Knob mountain in southern Illinois.

The Cross, which will be visible over a 7,500 square-mile area, is a project of the Bald Knob Christian Foundation, Inc., a non-denominational, non-profit, state-chartered group that has held Easter sunrise services on the mountain annually for the past two decades. The aim of the foundation is to provide a place of worship for all denominations, with the purpose of achieving greater unity of religious thinking and effort.

In launching the drive in Washington, Mrs. Theodore S. Chapman, president of the Women's Federation, urged that all not affiliated with their clubs mail contributions directly to The Cross, Cairo, Illinois.

The Cross will contain a central chapel and meditation rooms for all denominations. On the different levels between the base and the top will be separate shrines, and rooms where religious articles may be displayed. At the top will be a Forestry Service lookout station and an observation tower for visitors. Long range plans call for an amphitheatre, a stage for pageants, and facilities for church conventions.

Though the 187-acre tract on which The Cross will be erected is owned by the foundation, the surrounding area is U. S. Forestry Service property on which protection against commercialism has been assured. Bald Knob is the most prominent mountain in the Midwest, located in the Shawnee National Forest only 70 miles from the center of population of the nation. Illuminated at night, the Cross will be visible in a four-state area rich in historical background and legend.

Further information is available through Mrs. Hentigan, of 1730 Du Pont St., president of Lemon Grove club.

ROTARY LEARNS ABOUT WORLD CALENDAR

A World Calendar, one that will serve a streamlined world such as we live in today, is one of the prime needs of the globe today, Edward F. Flynn told the Lemon Grove Rotary Club this week.

A year divided into 52 weeks of seven days each with each quarter beginning on Sunday; with January, April, July and October each having 31 days and all other months having 30; February, May, August and November beginning on Wednesday; and March, June, September and December beginning on Friday—or 91 days in each quarter. Counting Saturdays we would have 26 week days and five Sundays in the first month of each quarter, and four Sundays in each of the other months. The orphan or extra day could be called Worlds Day and merely added at the end of the year.

Such a calendar would be balanced, stable and lorderly. January the first would always come on Sunday, Christmas always on Monday and general election day always on November 7, Flynn pointed out.

Flynn has made 4,000 addresses in U. S. and Canada in behalf of the World Calendar.

Junior High Students Buy Trees During Conservation Week

Conservation Week at the junior high school in Lemon Grove held real meaning for students there March 7, when the eighth grade classes purchased and planted trees to beautify the school grounds. Each of the six eighth grade classes donated money toward the purchase of a small tree, and under the direction of Albert Van Zanten, shop teacher, the boys planted them during an Arbor Day ceremony. They will grow along Lincoln Street and in the area between classrooms and playground.

During the week conservation films are being shown to science and social studies classes, and in all classes the reasons for conservation are being taught in many ways. The state educational code provides that appropriate exercises be held in honor of Luther Burbank's birthday, March 7. At Lemon Grove Junior High, the students will, through tree-planting, films, and discussions, come to appreciate the heritage left Californians and all America by Burbank and other pioneers.

TRINITY CHURCH PROGRAM STRESSES 'SHARING'

The Trinity Presbyterian Church will join with all other Christian churches in "One Great Hour of Sharing," Sunday.

Cub Scout Troop 171 will meet Friday at 7:30 p.m. in the auditorium of the Spring Valley School.

The last Troop Court of Honor saw four candidate scouts made tenderfoot scouts as presented by Floyd Breedlove; nine tenderfoot scouts now second class, as presented by Ed Hartzler. Dave Hulet is now a first class scout as awarded by Milt Nesbit. Leslie Gee was presented the star award by Assistant Scoutmaster Geo. Taylor. Eleven merit badges were awarded to three boys by Scoutmaster Chuck Pike.

LOCAL TEACHERS TAKE WORKSHOP TRAINING

Teachers in the Lemon Grove District have been attending in-service workshops to promote professional growth within their ranks and to improve various classroom techniques. During the past six weeks over 30 of the 97 certificated employees have attended the first of a series of such workshops to be offered in the interest of better teaching.

Mrs. Ada Krimsky, district supervisor of music in the elementary schools here, has been conducting classes each Monday afternoon for instructors desirous of more information in the teaching of music as part of the regular studies for students in kindergarten through the sixth grade. Dr. Alex H. Zimmerman, director of music in San Diego Unified District, spoke to the music group recently, emphasizing the need for an early appreciation of music to be taught in schools.

A science workshop for teachers at the intermediate and junior high levels was conducted by Hildegarde Hartig, science coordinator of county schools. An evaluation of science classes in the schools here was made, with study being placed on the phases of science to be taught in the different grades. Frank Mattas and Bob Offord, science teachers at the junior high, presented subject matter as taught in schools of Lemon Grove.

Further workshops for other teachers are being set up by S. K. Solleder, assistant superintendent, in the fields of reading, spelling, audio-visual work, and arithmetic.

Lemon Grove V.F.W. Auxiliary No. 2082 will give a get acquainted luncheon Friday at 1 p.m. in the V.F.W. Hall, Lincoln and Imperial Ave. There will be several members from district and one from our own post to enlighten all new members on the V.F.W. interests. Mrs. L. Van Riper, auxiliary president, will be in charge of the luncheon, assisted by Mrs. A. Miles and Mrs. W. Myers on the menu, Mrs. Hank Henderson decorations, with other members serving. Invitations are in the mail and the women of the auxiliary hope to meet new ladies who are interested in having fun along with their husbands or sons, in the same club. Tuna salad will be the main dish. We will be looking for you, R.S.V.P. HO 6-7188, call us if we missed you, please.

GIRL SCOUTS ELECT NEW OFFICERS

Girl Scouts of Troop No. 683 of Monterey Heights elected new officers on March 7, 1955. The following girls were elected: President, Carol Boyles; Vice President, Patsy Boggs; Secretary, Doreen Latulippe; Treasurer, Sharon Sommerville; Publicity, Margaret Brown, and Hostess, Kay Hildebrand.

They are back from an overnight trip to Harbinson Canyon with their leader, Mrs. J. T. Craig, Committee Mother Mrs. E. Latulippe and girls from Troop No. 334 with their Leader, Mrs. R. Hick, Co-Leader Mrs. J. Mitchel, First Aider Mr. R. Hicks, and Committee Mother Mrs. F. Jones.

Everyone enjoyed a wonderful time, cooking on a wood stove, making fiber flowers, hiking, and working on their Camp Craft Badge. It was cold, but lots of fun.

The girls are looking forward to their next trip to Camp Tapawingo or Green Valley Falls.

Most of the fun was enjoyed while on the Girl Scout bus, which the older girls are able to obtain through Scout House. We were the first to use it in Monterey Heights.

JR. HIGH STUDENTS IN ONE-ACT PLAY

Students of the Lemon Grove Junior High enjoyed a one-act play produced by Harry Butler's dramatics class last Friday at an assembly in the auditorium. "Glamorizing Joanne" by Millie Mundorf featured a cast of eight students from the seventh and eighth grades, all members of the elective class.

Joanne was played by Judy La Favor of the 8-4 group. Others in the cast included Karen Kruger as Doris, Joyce Louder as Janet, Dianne Fiester as Bernice, Steve Cafferata as Jimmy, Lloyd Hawkins as Paul, Lois Davey as Mrs. Meade, and Mike Wyman as Mr. Meade.

Sherry Andrews was play prompter, and Gary Brage, Leon Hawkins, and Perry Tuve worked behind the scenes as stage hands.

DANCIN' DUDES TAKE IN NEW MEMBERS

The Dancin' Dudes square dance club had a graduation party for Pete Mighetto's class who just completed a course of lessons. The party was held at the American Legion Hall in La Mesa.

The party was a big success and we found that the class has done very well under Pete's expert instruction. A decorated graduation cake, ice cream and coffee was served.

Carl Sunbury called a couple of numbers and later in the evening Pete's wife, Helen, celled some for us.

The following graduates joined our club: Bob and Shirley Gogerty, Jim and Gladys Lewis, Chuck and Ellen Thomas, George and Marian Stevens, and Mr. and Mrs. Lew Shipherd. Welcome, folks, hope we see you often.

The lovely raffle cake was baked by Florence Blank, and was won by Shirley Gogerty.

Evening Recreation Program to Be Studied

The evening section of the Lemon Grove Recreational Program has been held up pending a canvass of parents of junior high school students.

The program was scheduled to have run from 6:30 till 8:30 p.m. but the school board thought it advisable to ascertain the reaction of parents on the matter.

Louis Poluzzi, director of the recreation program, said that the results of the canvass would be given at the school board meeting March 28.

New Junior College For Grossmont Area

By SHERIDAN HEGLAND
Member, State Legislature

A crisis faces California in higher education. This means ulcers for college presidents, and headaches for taxpayers. For thousands of young men and women it may mean they'll be denied an opportunity to attend a college—just because there's no more room.

• • •

A new report, costing $106,000, has just been made to the state legislature. It was a comprehensive study of higher education in this state.

This autumn, the report says, about 4,500 students will seek to enroll at San Diego State College. Ten years later this number will snowball to about 12,700.

In a building program now contemplated at San Diego State College, these additional facilities are planned: many more classrooms, cafeteria, library addition, swimming pool, men's gym, auditorium seating 1200, and dormitories for 700.

• • •

This problem is many sided. Educators say, and they have a point, that actually we're spending less and less proportionately on higher education. The proportion of national income spent on higher education decreased from .0063 in 1932 to .0046 in 1947.

It's true we're spending more on frivolous items, beer, tobacco, cosmetics, and less on our most precious national resource, the minds of young men and women.

• • •

Nevertheless a terrific jolt faces Mr. Taxpayer the next few years financing higher education.

The particular problem becomes for the first time a problem for the local home-owner and small businessman.

(1) The number of college students will more than double during the next decade. (2) By far the biggest increase will be in junior colleges.

Here now is the rub. State universities and state colleges are financed largely by state funds. But junior colleges are paid for largely by local taxpayers.

As junior colleges grow the state is able to duck more and more its responsibilities—by having local taxpayers pick up the bill.

• • •

The report predicts a new junior college in the "Grossmont-National City area."

We need this junior college—there's no question about it. San Diego Junior College, I'm told, will shortly begin to turn down students from outside the city—simply because they've run out of room.

• • •

But what troubles me is that we simply can't afford enough classrooms for elementary and high school students in this area—much less worry about junior college students.

The only practical solution is to get legislation to secure state financial assistance, and finance junior colleges just as we now finance State Colleges.

Del Mar Contributes $100,000 to S.D. Boys' Club

DEL MAR, Calif.—A $100,000 donation to the Boys' Club of San Diego was announced by Boys, Inc., owners of the Del Mar Turf Club here. The money will be used to add to the facilities and increase the participation in the San Diego club.

Boys, Inc., is the national charitable organization founded by Texans Clint Murchison and Sid Richardson, and they personally will advance the $100,000 in the name of Boys, Inc.

A payment of $25,000 was accepted this week by Irving E. Friedman, president of the Boys' Club of San Diego, from Walter C. Marty, executive vice-president of the track. Another payment of $25,000 will be made about August 15 for this year's needs, and $50,000 on January 1, 1956, for use next year.

Decision to make the generous donation was made after a thorough investigation. Specific uses have been earmarked for the amounts to be received, including the final payment on the building fund for the Linda Vista Boys' Club, operated by the San Diego group and which is scheduled to open March 31; purchase of a bus and drivers' salary; and expenses incurred in keeping both clubs open on Saturday and Sunday afternoons. Lack of funds have prohibited the clubs from operating on weekends up to now.

Acquisition of a bus and driver will make it practical to bring thousands of additional boys a year to the clubs from areas in San Diego that do not have facilities at present.

Work of the Boys' Club of San Diego came to Murchison's attention last summer. Guided by Chet A. Van Dusen, executive director of the organization, Murchison made an inspection tour and was visibly impressed with the facilities and the competence in which the program was being handled.

BUREAU OF HOME APPLIANCES OF SAN DIEGO COUNTY

BE 2-0211 is Emergency Phone Number for S. D. County Doctors

The doctors of the San Diego County Medical Society today announced telephone numbers where emergency medical care service may be obtained.

The phone number for this area is BElmont 2-2011.

A society spokesman, in commenting upon the perfection of the service, said that the best way to avoid confusion in an emergency is to have a personal physician. "Select a doctor now," he emphasized. "A man who knows you and your family is better qualified to treat you than another might be. Our society is anxious to help. We particularly urge new residents in our ever-growing communities to avail themselves of this service."

Record Employment Fails to Absorb Larger Labor Force

Despite a rise in unemployment in California, the highest January employment in the history of the state was reported today in a joint statement released by the Department of Employment and Industrial Relations.

William A. Burkett, director of the department of employment, reported that unemployment rose to 262,000 in January from 221,000 in December. The January jobless total was 12,000 higher than a year ago.

Ernest B. Webb, director of the department of industrial relations, stated that total civilian employment decreased seasonally to 4,861,000 in January from 5,017,000 in December, reflecting declines in agriculture and related activities and post-Christmas lay-offs in retail establishments and post offices. The current total, however, was 17,000 above a year ago.

Although employment was up from a year ago and at a record January level, the rise was insufficient to absorb the incerase in the labor force of the past 12 months. According to the joint statement, the total California civilian labor force this January numbered 5,123,000 compared with 5,094,000 a year ago.

New Offering for Poet's Corner

The poet's corner has come to life again after reasonable vacation. This offering, from L. E. Van Riper, 1931 Englewood Dr., in Monterey Heights, was clipped from some forgotten newspaper as Van Riper traveled about the country with the Navy.

It is still appropriate, regardless of age, he points out.

THE MONKEY'S DISGRACE

Three monkeys sat in a coconut tree
Discussing things as they're said to be.
Said one to the other, "Now listen, you two:
There's a certain rumor that can't be true;
That man descended from our noble race
The very idea is a disgrace.

No monkey ever deserted his wife,
Starved her babies and ruined her life;
And you've never known a mother monk
To leave her babies with others to bunk,
Or pass them on from one to another
Till they scarcely know who is their mother.

And another thing you'll never see:
A monk build a fence 'round a coconut tree
And let the coconuts go to waste,
Forbidding all other monks to taste.
Why, if I had a fence around a tree,
Starvation will force you to steal from me.

Here's another thing a monk won't do:
Go out at night and get on a stew,
Or use a gun or club or knife
To take some other monkey's life.
Yes, man descended, the onery cuss;
But, brother, he didn't descend from us.

Jazz and Be-Bop . . . The young'uns of our age are really getting mixed. The other day I heard a little ditty entitled "Earth Angel" which sounds like two dogs screaming bloody murder at the moon. Jaye P. Morgan wails out with "That's All I Want From You," and is answered by the Five Keys with their crazy saucer, "Ling, Ting, Tong," a story about "Okamn-Samoya-Bodd-Day-A." Then I heard Webb Pierce sing through his nose the platter titled "More and More" while the DeJohn Sisters wail out "No More." You just can't win! In "Hearts of Stone" we have a wide margin of choice of either listening to the soothing music or trying to decipher the lyrics which resemble two Koreans waging an oral battle over a kernel of rice found in a rice paddy.

Even Perry Como, the all-mighty master, has gone jerky over Rhythm and Blues with his version of "Kokomo." The local jazz craze was set off by an unassuming Negro whom we never heard of when Bill Haley and his Comets first introduced "Shake, Rattle and Roll." This pleasant (?) tune was closely followed by "Dim, Dim the Lights," and after hearing it, I prayed for an eternal blackout.

Following in the previous tune's footsteps came the Cheers with "Bzoom-Badey-Dee-Doo" and if you can say it, then take it from me, you won't want to hear it.

Music soothes the savage beast, but Be-bop would frighten a lion away from a Lemon Grove meat freezer. My opinion of the records? I love 'em!

"I prefer you take the kiddies' picture as the ones in our family choosing Mayfair," said Mrs. John Moates, 512 Encinitas. "They know the market, and like it, and we come here mostly because they insist.

The photographer took the picture as directed and thus we have three young Mayfair boosters . . . David. Charlotte and Bobby Moates.

We realize, as you do, that it takes so much money to feed a family and it is our purpose to bring you that food at the lowest possible cost.

Too often, shoppers are confused by a "special' offered by a market. This "special" is usually an extreme bargain . . . but that's where the bargain ends. A check of other food items sold alongside these offerings frequently shows a three to five cents higher price on staples. The net result being that the few cents saved on the "special" is more than made up on uncalled for high prices in the balance of the grocery list.

We offer an everyday list of prices for Mayfair. Clip it, check it. You'll find that these prices are good day-in and day-out. Special prices are given in addition to these low prices. These are some of the reasons the trend is toward Mayfair.

Mrs. Lawrence Spear, 4904 Vista Arroya, is a Convair employee. "I do like to shop at Mayfair," said she. "I find it so convenient that I even buy all the housewares and personal items. It's Mayfair for me on everything for my home . . . especially Mayfair meats."

Brother Ownership of Jim's U-Rent-It Splits Partnership

Jim Serr, while still in the Navy, in April, 1946 purchased a tractor. He had so many people who wanted to borrow it that after a few disappointing happenings with neighbors, decided to rent it. This led to more and more calls for different and sundry tools so Charlie helped and loaned money to Jim, and became his partner in 1947.

In 1948 Charlie purchased the business from Jim and kept the name.

In February, 1950, he opened for business with his new partner, brother Bob, at the present location in fast growing Lemon Grove. Here the business prospered and grew by leaps and bounds, with it the many problems and endless amount of trouble that goes with equipment that everyone uses.

In January, Charlie decided to sell out and the two brothers got together and almost five years later, they parted on the best of terms.

Charlie Serr said, "Bob purchased the headaches and I am going on a long vacation before planning the future too closely. No definite plans, but I may go into real estate in or around Lemon Grove. I do wish to thank all of the wonderful people that I had the privilege of serving while in the business. Also the friendly merchants with whom I had acquaintances. As a whole I believe the merchants in Lemon Grove are friendly, most sincere and an honest group with whom I have served."

Famed Lecturer to Appear Before L. G. Woman's Club

"From Where He Stands"—the masculine viewpoint, giving the basic difference in thinking between men and women and why, will be the subject to be discussed by Dr. Floyd Corbin, consulting psychologist, author and popular lecturer, when he appears before the Lemon Grove Woman's Club at a reciprocity tea Friday afternoon, March 25, at the Woman's Clubhouse.

Dr. Corbin, whose office is in the Park-Wilshire Hotel in Los Angeles, is one of the leading lecturers in Southern California, and he is known to thousands for his ability to give food for thought in a humorous way.

Before losing his sight he spent 19 years with the Union Pacific Railroad, serving in both the operating and traffic departments; among the positions held were city agent for the Department of Tours in Chicago and city passenger agent for the company in New York.

Turning for rehabilitation to psychology and philosophy, he became a consulting psychologist and specialist in human relations and today appears before hundreds of clubs and organizations, giving practical information which can be used in home, office and community.

According to Mrs. Richardson, program chairman, this is a program every member will want to hear, and 100 per cent attendance is expected.

Hostesses will be Mrs. Fred Johnson, chairman, Mrs. G. Frost, Miss Clara Sonka, Mrs. Glen Wyse and Mrs. J. B. Yeo.

'First' Triplets Are Second in Grove School

Through misinformation, the Review last week listed the "first" triplets in the Lemon Grove School District as being the Naylor triplets at the Seventh Grade. It was revealed last week, immediately after the Thursday Review hit the streets, that the Golden Avenue School also boasts three of a kind.

The Purczynski triplets, Jimmy, Joey, and Joyce, are enrolled there in the kindergarten. Sons and daughters of Mr. and Mrs. Stanley Purczynski of 8494 Imperial, they have a sister Karen in the third grade there, a sister Toby in the seventh grade at the junior high, and a brother Gary in ninth grade at Helix High School.

GROVE STUDENTS TO PRESENT 'THORN CROWNED KING' FOR PUBLIC

"The Thorn Crowned King," an Easter cantata by Holton, will be presented Thursday evening, March 31, 7:30, in the Junior High Auditorium on School Lane. The public is invited to attend, free of charge, as guests of Golden Avenue School students.

Soloists for the student cantata are Thomas Lange singing "The Holy City"; Carol Brandt singing "Were You There." Narrators will be ZoAnn Schnell, Mary Jane Kniffing, Judy Castles, Alice Telles, Charles Singer, Patsy Byrum, Janet Jeffrees, Dixie Gagnon, Thomas Lange, Randy Cremer, Marilyn Humphrey, and Wendy Pueschal.

The Golden Avenue School glee club is directed by Elda F. Benston, with Jeanette Cole as accompanist.
